§ 1430.600 Applicability.

(a) Subject to the availability of funds, this subpart sets forth the terms and conditions applicable to DDAP-II authorized by section 3014 of Public Law 109-234. Benefits are available to eligible United States producers who have suffered in 2005 dairy production losses and dairy spoilage losses in eligible counties as a result of Hurricanes Katrina, Ophelia, Rita, and Wilma or conditions related to those hurricanes.

(b) To be eligible for this program, a producer must have been a milk producer in 2005 in a county declared a natural disaster by the Secretary of Agriculture or declared a major disaster or emergency designated by the President of the United States due to a 2005 hurricane or related condition thereof, or in a contiguous county to a county that is directly eligible by way of a natural disaster declaration. Only losses occurring in these counties are eligible for payment under this program.

(c) Subject to the availability of funds, benefits shall be provided by the Commodity Credit Corporation (CCC) to eligible dairy producers. Additional terms and conditions may be set forth in the payment application that must be executed by participants to receive a disaster assistance payment for dairy production losses and dairy spoilage losses.

(d) To be eligible for payments, producers must comply with the provisions of, and their losses must meet the conditions of, this subpart and any other conditions imposed by CCC.

§ 1430.601 Administration.

(a) DDAP-II shall be administered under the general supervision of the Executive Vice President, CCC, or a designee, and shall be carried out in the field by FSA State and county committees (State and county committees) and FSA employees.

(b) State and county committees, and representatives and employees thereof, do not have the authority to modify or waive any of the provisions of the regulations of this subpart.

(c) The State committee shall take any action required by the regulations of this subpart that has not been taken by the county committee. The State committee shall also:

(1) Correct, or require the county committee to correct, any action taken by such county committee that is not in accordance with the regulations of this subpart; and

(2) Require a county committee to withhold taking any action that is not in accordance with the regulations of this subpart.

(d) No provision of delegation in this subpart to a State or county committee shall preclude the Executive Vice President, CCC, or a designee, from determining any question arising under the program or from reversing or modifying any determination made by the State or county committee.

(e) The Deputy Administrator, Farm Programs, FSA, may authorize State and county committees to waive or modify deadlines in cases where lateness or failure to meet such requirements do not adversely affect the operation of the 2005 Dairy Disaster Assistance Payment Program II and does not violate statutory limitations on the program.

(f) Data furnished by the applicants is used to determine eligibility for program benefits. Although participation in DDAP-II is voluntary, program benefits are not provided unless the participant furnishes all requested data.
